

DEPARTMENT OF AGRICULTURE'S UPDATED INVESTMENT PROGRAM

Planning and Monitoring Service – Investment Programming Division

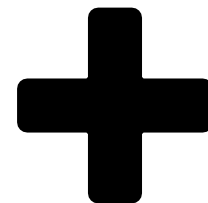

08 January 2026

BACKGROUND

Beginning **FY 2024**, the DA started formulating its overall **Investment Program**—of which the PIP and TRIP are only subsets—also covering non-PIP entries such as developmental or enabling Support to Operations (STO)—to operationalize Programs and Projects (PAPs) in support of the ***Para sa Masaganang Bagong Pilipinas*** plan.

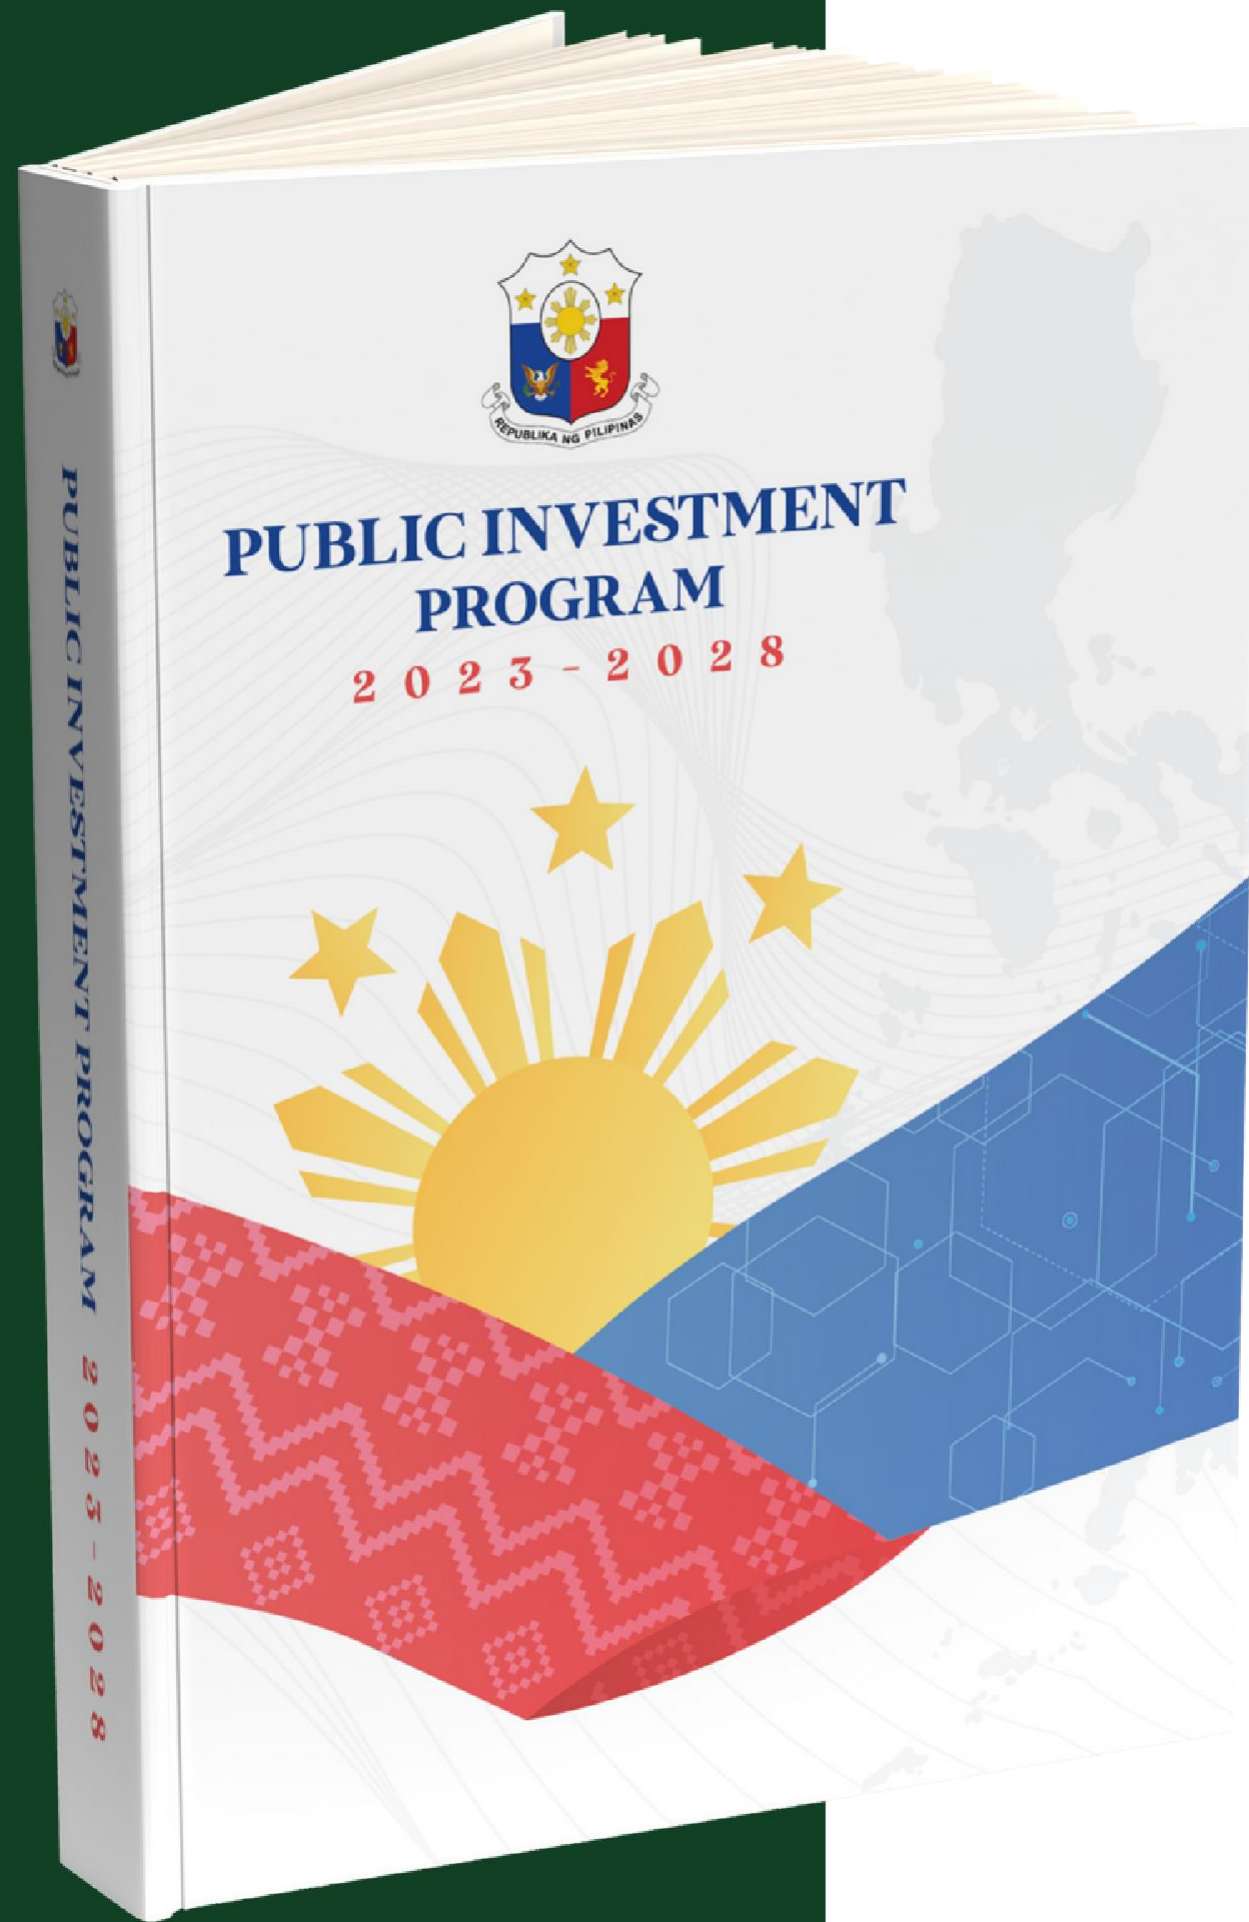

All PAPs which
satisfy the criteria
for inclusion in the
PIP (and TRIP)

PAPs which are
developmental/ enabling
in nature or are critical in
the delivery of the office's
mandate or functions

**DA's
Investment
Program**

THE PUBLIC INVESTMENT PROGRAM

01

A six-year programming document accompanying the PDP

02

Embodies the priority PAPs within the medium-term that contribute to meeting the targets in the PDP and achieving the outcomes in the Result Matrices (RM)

03

TRIP, a subset of the PIP, used to synchronize and tighten the link between planning and budgeting of all infrastructure PAPs of the Government

04

Serves as a prioritization tool of the national government in the evaluation of PAPs for funding and implementation within the plan period

Components of the PIP

CIPs

Core Investment Programs/Projects

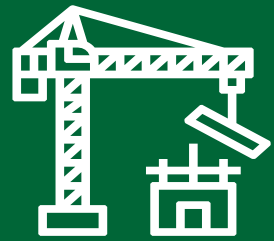

- Proposed big ticket PAPs for ICC and/ or ED Council action and ongoing PAPs with existing ICC and/or ED Council approval

NON- CIPs

Non-Core Investment Programs/ Projects

- Proposed and ongoing priority PAPs that do not need to undergo the ICC or ED Council review and approval process

TYPES OF PAPs IN THE PIP

TRIP PAPs

Priority infrastructure PAPs for NG funding within a 3-year horizon (i.e., FY 2027 to 2029).

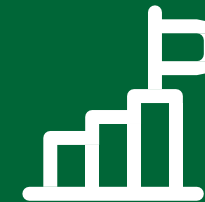

ARNIPAPs/ARNIPS

Regional priority PAPs which were identified by the RDCs and agreed with NGAs for inclusion in the PIP during the RNIP Dialogue.

RDIP

Priority PAPs of the regions which will operationalize the strategies laid out in their respective RDPs.

IFPs

Game-changing, transformative and urgently needed infrastructure projects of national significance that aim to showcase the overall Build-Better-More Program.

GENERAL CRITERIA FOR INCLUSION IN THE PIP and TRIP

01

Responsiveness

02

Readiness

03

Typology

Responsiveness

Revalidate or identify the PDP chapters where the PAPs contribute to through the achievement of the output level indicator/s in the RM.

PAPs that do not directly contribute to the PDP *shall be excluded from the PIP/TRIP.*

01

Chapter 6: Revitalize Industry	Chapter 15: Accelerate Climate Action and Strengthen Disaster Resilience
Chapter 7: Reinvigorate Services	
Chapter 8: Advance Research and Development, Technology, and Innovation	

**DA is a primary contributor to this chapter.*

Readiness

02

For proposed PAPs, identify the appropriate level of implementation readiness.

New PAPs or PAPs “for expansion” targeted to be implemented in FY 2027 are expected to have Level 1 or 2 readiness. Otherwise, these will not be prioritized in the ranking of Tier 2 proposals.

Level of Readiness	Core Investment Programs/Projects (CIPs)	Non-Core Investment Programs/ Projects (Non-CIPs)
1	- With Economy and Development (ED) Council and/ or ICC project approval but not yet ongoing; and - With FY 2027 investment targets down to provincial level.	- With approval of appropriate approving body but not yet ongoing; and - With FY 2027 investment targets down to provincial level.
2	- With project preparation document completed, for ICC processing in 2025 or 2026; - If for NG funding, included in the NEP for FY 2026 or for inclusion in the FY 2027 budget proposal; and - With FY 2027 investment targets down to provincial level.	- With project preparation document completed, for approval of appropriate approving body in 2025 or 2026; - If for NG funding, included in the NEP for FY 2026 or for inclusion in the FY 2027 budget proposal; and - With FY 2027 investment targets down to provincial level.
3	- With project preparation document to be completed in 2025-onwards, for ICC processing in 2026-onwards; - If for NG funding, for inclusion in FY 2027 budget proposal or succeeding year. - FY 2027 investment targets down to provincial level still to be determined.	- With project preparation document to be completed in 2025-onwards, for approval of the appropriate approving body in 2026-onwards; - If for NG funding, for inclusion in FY 2027 budget proposal or succeeding years; and - FY 2027 investment targets down to provincial level still to be determined.

Typology

Priority PAPs for inclusion in the PIP and TRIP should be classified according to type.

03

Capital Investment PAPs deliver public goods and services contributing to the country's productive capacity, such as infrastructure and social service delivery.

Relending PAPs provide financial interventions, such as in terms of credit and loan facilities for target beneficiaries, that may include LGUs, among others.

Technical Assistance PAPs involve support for skills-building, systems improvement, and knowledge-based services such as R&D, institutional development, capacity building, or process enhancements.

Government Facilities PAPs refer to the construction, rehabilitation, or improvement of government-owned facilities that are developmental in nature and directly support the agency's mandate and contribution to PDP outcomes.
